Hey Mark,

Karren thought it might take about a week or so. I am out on leave next week but could get the revised bill moving the week after. I think you could let Mr. Otis know he would receive a revised bill within 3 weeks.

Shawn,

Thanks for the update. I'll sit tight to hear back from you. I'd like to check in w/ Mr. Otis one way or other by the end of the day so we don't leave the company hanging. Mark

Hi Mark,

I spoke with Nevetta and she asked me to reach out to Karren. I am about to do that. Not sure of the timing but I plan to ask Karren if it can be turned around ASAP. I am thinking 30 days at the most, hopefully sooner.

If you want to wait until later in the day, I may get a response back from Karren then and can let you know.

Enforcement Confidential

Shawn,

I would like to call Mr. Otis today and let him know that we requesting a revised demand letter and supporting documentation from Finance, which will exclude the pre-AOC response costs. Has Finance responded with an estimate for turning around the new demand figure?

Thanks,

Mark
